A New 6-Hour Seminar for Health Professionals, Fall, 2017 \$79

REASONING WITH UNREASONABLE PEOPLE: FOCUS ON DISORDERS OF EMOTIONAL REGULATION

In this six-hour program, health professionals will learn how people reason with selected disorders of mood, anxiety, OCD, anger, and personality.

Practical strategies will be presented to facilitate meaningful change in patients and health professionals working in medical, dental, and behavioral health settings.

Participants completing this program should be able to:

- List several paths to achieving effective emotional communication.*
- Outline an effective strategy to reason with a person who has a disorder of mood, anxiety, OCD, anger, or personality.*
- Describe a strategy for reasoning or having a difficult conversation with a person who is experiencing pain, illness or vulnerability.*
- Describe a calming strategy including the practice of mindfulness for health professionals who are experiencing strong emotions.*

Schedule: Check in: 8:15-9 AM, program starts: 9 AM, lunch (on own): 11:30 AM, Q&A and discussion with instructor: 12-12:30 PM, lecture resumes: 12:30 PM, adjournment: 4 PM. Please register early and arrive before the start time. Space is limited.

Group Registrations: Rates apply for 3 or more pre-registered guests enrolling together. Please complete a separate registration form for each person. Members of a group can attend on different dates.

Confirmation Notices and Certificates of Completion: We will confirm your registration by email or by letter. Please attend even if you do not receive a confirmation. Registrants are responsible for parking fees, if any. Successful completion includes full attendance and submission of the evaluation form. No partial credit will be given. Certificates of completion are provided at the time of adjournment.

Transfers and Cancellations: Registrants can transfer to another seminar if space is available. Registrants canceling up to 48 hours before a seminar will receive a tuition refund less a \$15 administrative fee, an audio CD or DVD recording of the seminar with the instructional outline, if available, or if requested, a full-value voucher good for one year, for a future seminar. In the unlikely event that the seminar cannot be held (e.g., an act of God), registrants will receive free admission to a rescheduled seminar or a full-value voucher, good for one year, for a future seminar. All requests must be made in writing or online. No IBP program has ever been cancelled as the result of low attendance. We anticipate that participants will have desks at most locations.

Customer Service: Call 888-202-2938 to ask about course content, instructors, request accommodations for disability, submit a formal grievance, or remove your name from a list. For other questions, call 866-652-7414.

Institute for Brain Potential: We are the leading provider of accredited programs on the brain and behavioral sciences. Our non-profit organization (tax ID 77-0026830) has presented cost-effective, informative and practical seminars by outstanding speakers since 1984.

REASONING WITH UNREASONABLE PEOPLE: FOCUS ON DISORDERS OF EMOTIONAL REGULATION

NURSES: Institute for Brain Potential (IBP) is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

IBP is awarded "accreditation with distinction," the highest recognition awarded by the ANCC.

This program provides 6 contact hours for nurses.

PSYCHOLOGISTS: Institute for Brain Potential is approved by the **American Psychological Association** to sponsor continuing education for psychologists. IBP maintains responsibility for this program and its content. This program provides 6 CE credits.

COUNSELORS & MARRIAGE AND FAMILY THERAPISTS: Institute for Brain Potential (IBP) has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6342. Programs that do not qualify for NBCC credit are clearly identified. IBP is solely responsible for all aspects of the programs. This program provides 6 clock hours of CE credit.

SOCIAL WORKERS: IBP, provider 1160, is approved as a provider for continuing education by the Association of Social Work Boards (ASWB), 400 South Ridge Parkway, Suite B, Culpeper, VA 22701. www.aswb.org. ASWB Approval Period: 11/11/2014 – 11/11/2017. Social workers should contact their regulatory board to determine course approval. Social workers will receive 6 clinical continuing education clock hours for participating in this intermediate-level course.

SUBSTANCE ABUSE PROFESSIONALS: IBP is approved by the NAADAC Approved Education Provider Program, Provider #102949. This program provides 6 continuing education hours (CEHs).

PHARMACISTS AND PHARMACY TECHNICIANS: Institute for Brain Potential is accredited by the **Accreditation Council for Pharmacy Education** as a provider of continuing pharmacy education. This knowledge-based activity provides 6 contact hours (.6 CEUs). UANs: 0492-0000-17-001-L04-P and 0492-0000-17-001-L04-T

DENTAL PROFESSIONALS: Institute for Brain Potential is designated as an Approved PACE Program Provider by the Academy of General Dentistry (AGD). The formal continuing dental education programs of this provider are accepted by the AGD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 12/01/14 – 11/30/18. Provider ID# 312413. Subject Code: 557. This program is 6 CE hours.

OCCUPATIONAL THERAPISTS: IBP is an American Occupational Therapy Association (AOTA) Approved Provider, #6050. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. This program provides 0.6 AOTA CEUs or 6 contact hours. Content Level: Intermediate. Content Focus: Domain of OT (Performance Skills) and Professional Issues (Supervision).

NURSING HOME ADMINISTRATORS: IBP is a *Certified Sponsor* of professional continuing education with the NAB and has approved this program for 6 clock hours under its sponsor agreement with NAB/NCERS. State licensure boards, however, have final authority on the acceptance of individual courses.

PHYSICAL THERAPISTS: Institute for Brain Potential is approved as a provider of physical therapy continuing education by **Physical Therapy Board of California**, by **Illinois Department of Professional Regulation**, Sponsor #216.000210, and by **NY Physical Therapy Board**. The **OR Physical Therapist Licensing Board** accepts courses approved by the physical therapy licensing boards of other states. This program provides 6 contact hours.

SPEECH-LANGUAGE PATHOLOGISTS: This program is pending approval by **OR Board of Examiners for Speech-Language Pathology & Audiology** for 6 hours of continuing education credit.

MASSAGE THERAPISTS: Institute for Brain Potential is approved by NCBTMB as a CE Approved Provider, #450939-09. This course provides NCBTMB-approved 6 CE hours of Advanced Science credit. Visit <http://goo.gl/85iSwY> to learn about Advanced Science credit.

CASE MANAGERS: This program has been pre-approved by the **Commission for Case Manager Certification** to provide 6 CE contact hours to CCM® board certified case managers.

DIETITIANS: IBP is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 6 CPEUs for completion of this program. Continuing Professional Education Provider Accreditation does not constitute endorsement by CDR of a provider, program, or materials. Provider Number: BP001. CPE Level: I. Suggested Learning Codes: 5350, 6020, 6070, and 7020.

EDUCATORS: This program provides 7.5 PDU's of professional development toward license renewal in OR through a cosponsorship agreement between IBP and Alliant International University, a regionally accredited institution by the Accrediting Commission for Senior Colleges and Universities. Contact your school district if you need prior approval.

Pathways to Effective Reasoning

- **Assuring the Person Feels Heard:** emotional healing begins when the patient's concerns are acknowledged.
- **Focusing on Feelings:** identifying unresolved emotional stressors.
- **Emotion-Sustaining Beliefs:** What purpose does this emotional state serve? What beliefs sustain it? Are there unresolved emotional stressors?
- **Identifying the Patient's Strengths:** channeling the wellness with the mental or physical illness to facilitate healing.
- **Core Emotional Concerns:** to feel appreciated, to be treated as an equal, to have the freedom to decide, and to be respected.
- **Beyond Reason:** rage, acute mania, delirium, substance-induced states, psychosis, and dementia.

Mood Disorders

- **Depressive Disorders:** Major Depressive Disorder and Persistent Depressive Disorder (Dysthymia); understanding the mindset that one's problems are personal, pervasive and permanent.
- **Bipolar Disorders:** Bipolar I, II and Cyclothymic Disorders; the role of mania, hypomania and chronicity; the manic mindset of feeling invulnerable, brilliant, euphoric, and infallible.

Generalized Anxiety, Obsessive Compulsive Disorder and Perfectionism

- **Generalized Anxiety:** understanding chronic, uncontrollable and irrational anxiety; how feeling "unsafe" perpetuates chronic worrying.
- **Obsessive Compulsive Disorders:** key triggers underlying unwanted and habit-based, automatic thoughts and overvalued ideas associated with impulses and rituals.
- **Perfectionism:** understanding people who have unrealistic standards for themselves or others and are highly critical when they are not met; how perfectionism, an OCD spectrum trait, can lead to emotional burnout.

Passive and Aggressive Forms of Anger

- **Passive Anger:** covert efforts to undermine another person's effectiveness; identifying the "hidden agenda."
- **Aggressive Anger:** blaming, shaming, provoking, threatening, bullying, avenging; understanding the "hurt" behind the anger, the person's justification for not being able to forgive, and the adverse health risks of experiencing chronic anger.

Selected Personality Disorders

- **Key Features:** inflexibility, crisis, cluelessness, impaired problem-solving, avoidance of treatment; distinguishing between character and traits.
- **Antisocial (Sociopathic):** the view that rules are meant to be broken, intolerance for frustration, need for immediate gratification, and exaggerated sense of intelligence.

- **Borderline:** impaired sense of identity, fear of abandonment, intense psychic pain, anger, idealization or demonization; risk of self-harm.
- **Narcissistic:** exaggerated self importance, need for special attention, and the entitlement to seek pleasure, status or power.

Strategies for Helping Patients With Strong Emotions

- **Cognitive Restructuring:** reframing automatic negative thoughts.
- **Shifting the Focus to Problem Solving:** identifying solutions and using pros and cons.
- **Exposure-Based Treatments:** confronting and overcoming fears and reducing compulsions.
- **Emotion Regulation Techniques:** personalized approaches to calming, breathing training, imagery, and relaxation.
- **Dialectical Behavioral Therapy:** focus on Mindfulness, Distress Tolerance, Emotion Regulation and Interpersonal Effectiveness.
- **Disengaging from Pathological Interactions:** Gottman's Four Horsemen of the Apocalypse: contempt, criticism, stonewalling, and defensiveness.
- **Handling Difficult Conversations:** six rules of thumb to communicate in ways that lead to meaningful change.

Calming Strategies for Health Professionals

- **Resilience-Based Reasoning:** focusing on ways we can manage stressors and recover from setbacks by identifying our strengths.
- **Balancing Priorities:** reducing excessive demands by reviewing complex challenges at home and at work.
- **Changing the Narrative:** rethinking how we view the past, respond to the present, and reimagine the future to increase happiness.
- **Acceptance:** learning to accept in self and others the traits that are unlikely to change.
- **Practicing Mindfulness-Based Stress Reduction:** non-judgmental, moment-to-moment awareness by staying calm in the moment.

ABOUT THE INSTRUCTOR

Joseph Shannon, Ph.D. (Ohio State University) is an acclaimed psychologist, clinician, researcher and lecturer in the areas of personality disorders, chemical dependency, character pathology, anxiety and depression. Dr. Shannon has appeared on the CBS Morning Program and PBS Viewpoint.

Dr. Shannon has developed and presented training programs for health professionals throughout the United States and Canada. Participants praise his use of innovative teaching methods. In this presentation, film excerpts will be used to illuminate noxious people. Audiences highly recommend his insightful and practical presentations and enjoy his warm sense of humor.

In addition to Q & A sessions in class, Dr. Shannon will answer your questions during the second half of the lunch break and by email after the program concludes.
